Charging and Remissions Policy

Vision

Creating & inspiring a community where everyone recognises their self-worth as a unique child of God. Here we aim to develop a love of learning that enthuses and ignites hope for the future.

As the Angel Gabriel said to St. Mary:

"Nothing is impossible with God." Luke 1: 37

Mission

To ensure every child flourishes and can explore life in all its fullness.

'I came to give life - life in all its fullness'

John 10:10

Values

We are proud to be a Take Care school where we live out our school values through the four main aspects of Take Care.

Bulwell St. Mary's is a proud Church of England school that develops Christian values and morals. We focus on 6 key values: Respect, Friendship, Courage, Honesty, Forgiveness and Creativity.

Take Care of Ourselves

Honour God with your body.
1 Corinthians 6:20

Take Care of Each Other

Love your neighbour as yourself.
Matthew 22:39

Take Care of Our Work

Let your good deeds shine out for all to see.
Matthew 5:16

Take Care of our School and World

God took the man and put him in the Garden of Eden to work it and take care of it.
Genesis 2:15

Respect

Do to others as you would like them to do to you.
Luke 6:31

Honesty

Let us tell our neighbours the truth, for we are all parts of the same body.
Ephesians 4:25

Friendship

Dear friends, since God so loved us, we also ought to love one another.
1 John 4:11

Forgiveness

If you forgive others their sins your heavenly Father will also forgive you.
Matthew 6:14

Courage

Be strong and courageous, do not be afraid.
Joshua 1:9

Creativity

We have different gifts according to the grace given to each of us.
Romans 12:6

This allows our children to grow as individuals and interact positively with each other in all situations they encounter. The values are a way of life rather than a set of rules to be followed which allows our children to become respectful, thoughtful, content and happy. Prayer and worship are an important part of our daily school life. Through getting to know Jesus our children learn the importance of love and respect for all, and how these values are reflected in their own behaviour and attitudes.

Our school motto is '**Where Your Journey Begins**'. We look forward to supporting you and your children along that journey.

CHARGING AND REMISSIONS POLICY

The Trust shall adopt in part the Nottingham City Council LA standard charging Policy.

General Principles

The Trust Board like the Education Committee is committed to the general principle of free education. In determining the charging and remissions policies which are set out in this document the Governors have been mindful of the policy statement produced by the Nottingham Education Committee and have also taken account of the Committee's Entitlement Curriculum.

The Trust Board recognises the valuable contribution that a wide range of activities, including school visits, residential experiences and clubs, can make towards all aspects of pupils' education. The Trust Board would accordingly wish to promote and provide as far as possible such activities as part of a broad and balanced curriculum for the benefit of pupils of the school.

Charges

The School Governing Body reserves the right to make a charge for the following activities, which may from time to time be organised by the school.

Residential Activities held during school hours: charges may be made for the board and lodging element of those residential activities during school hours. Parents will be notified in advance of any such activities the school proposes to organise and the estimated cost. Parental consent will be obtained for their children's participation in any such activities for which a charge may be made.

Any charge for a particular activity will be calculated by reference to the actual cost of providing the board and lodging for each pupil; no other costs will be covered by the charge. Any remission arrangements for such activities will be at the discretion of the School Governing Body except in the circumstances described below.

Activities held outside school hours: the school will endeavour to provide a range of such activities from time to time. These will sometimes include day and residential experiences, and are known generally as 'optional extras'.

Charges may be made for these activities. Exceptions may arise where they are provided to fulfil any requirements specified in:

- the syllabus of a prescribed public examination

- in order to fulfil statutory duties relating to the National Curriculum
- religious education requirements, in which case they are not regarded as optional extras as such and charges cannot be made.

(Board and lodging charges may still however be made for any residential activities subject to the remission arrangements described below.)

Parents will be notified in advance of any 'optional extras' that the school proposes to organise and the estimated cost. Parental consent will be obtained if their children are to participate in any activities for which a charge may be made.

Any charge for a particular activity will be dependent upon the type of activity and its cost and the number of participants. A charge will not exceed the actual cost of providing the activity, divided equally by the number of pupils willing to participate.

The cost of other pupils participating in the visit will not be included in the charge. The charge may however include an appropriate element for such things as:

- the pupil's travel costs
- the pupil's board and lodging costs
- materials, books, instruments and other equipment
- non-teaching staff costs
- entrance fees to museums, castles, theatres, etc.
- insurance costs
- the expenses only of participating teachers engaged on a separate contract for services to provide the 'optional extra'

Any remission arrangements for such activities will be at the discretion of the Governing Body, except in the circumstances described below.

Materials and Ingredients: a charge will only be made for any materials and ingredients relating to activities taking place during school hours where parents have indicated in advance a wish to own the finished product, e.g. in design, technology and food classes.

Alternatively parents may, in these circumstances, be asked to volunteer to provide the ingredients and materials prior to the activity taking place.

Remissions

Any remission arrangements for a particular activity or pupil will be entirely at the discretion of the School Governing Body. Any subsidy provided by the Governing Body will be met from the funds at its disposal.

Voluntary Contributions

Nothing in the policy statement precludes the School Governing Body from inviting parents to make voluntary contributions for the benefit of the school or in support of any school activity, whether during or outside school hours.

Any contributions sought will be entirely voluntary and pupils will not be treated differently according to whether or not their parents make a contribution in response to any invitation.

Fund raising events such as non-uniform days would fall into the category of voluntary contributions.

Breakages and Damage to School Property

The School Governing Body reserves the right to seek reparation from parents where their children cause breakages or damage to school property.

Review

The School Governing Body reserves the right to review and amend this policy statement from time to time, as appropriate.
