Vision

Creating & inspiring a community where everyone recognises their self-worth as a unique child of God. Here we aim to develop a love of learning that enthuses and ignites hope for the future.

As the Angel Gabriel said to St. Mary:

"Nothing is impossible with God." Luke 1: 37

Mission

To ensure every child flourishes and can explore life in all its fullness.

'I came to give life - life in all its fullness' John 10:10

Values

We are proud to be a Take Care school where we live out our school values through the four main aspects of Take Care.

Bulwell St. Mary's is a proud Church of England school that develops Christian values and morals. We focus on 6 key values: Respect, Friendship, Courage, Honesty, Forgiveness and Creativity.

Take Care of Ourselves Honour God with your body. 1 Corinthians 6:20		Respect Do to others as you would like them to do to you. Luke 6:31		Honesty Let us tell our neighbours the truth, for we are all parts of the same body. Ephesians 4:25	
Take Care of Each Other Love your neighbour as yourself. Matthew 22:39		Friendship Dear friends, since God so loved us, we also ought to love one another. 1 John 4:11		Forgiveness If you forgive others their sins your heavenly Father will also forgive you. Matthew 6:14	
Take Care of Our Work Let your good deeds shine out for all to see. Matthew 5:16		Courage Be strong and courageous, do not be afraid. Joshua 1:9		Creativity We have different gifts according to the grace given to each of us. Romans 12:6	
Take Care of our School and World God took the man and put him in the Garden of Eden to work it and take care of it. Genesis 2:15					

This allows our children to grow as individuals and interact positively with each other in all situations they encounter. The values are a way of life rather than a set of rules to be followed which allows our children to become respectful, thoughtful, content and happy. Prayer and worship are an important part of our daily school life. Through getting to know Jesus our children learn the importance of love and respect for all, and how these values are reflected in their own behaviour and attitudes.

Our school motto is '**Where Your Journey Begins**'. We look forward to supporting you and your children along that journey.

1. Mission Statement

Regular and punctual attendance is an essential prerequisite to effective learning. At Bulwell St Mary's Church of England Primary & Nursery School we aim to develop an ethos which demonstrates to children, parents/carers and the wider community how much we value good attendance and punctuality.

We expect all children to attend school every day.

g. Parents/Carers

Full attendance is essential to the all-round development of a child and they should be allowed to take full advantage of educational opportunities available to them by law. Poor attendance undermines their education and, sometimes, puts children at risk. The school will share the attendance Information with parents at each parent consultation meeting and more frequently where there are concerns.

Parents are expected to:

- Make sure their child attends school regularly and arrives on time.
- It is the **parents' responsibility** to contact the school before 9.30am on the **first day** their child is absent. This is a **safeguarding matter** so that all parties know that your child is safe.
- Provide the school with at least two emergency contact numbers for their child.
- Ensure that where possible appointments for their child are made outside of the school day
- Children are expected to arrive by 8:50am. All children who **arrive late must report to the school office** where they are registered, their meal requirements noted and the reason for lateness is recorded.
- Keep to any attendance contracts that they make with the school and/or local authority. Seek support where necessary for maintaining good attendance by contacting Natalie Aldridge or Henry Jolliffe or speaking directly to the class teacher.

h. Children

Children are expected to attend school every day on time.

5. Recording Attendance

a. Attendance register

We are required by law to call attendance registers twice daily - once at the start of the morning session and again during the afternoon session.

In considering attendance levels, the register is of paramount importance. Registers are legal documents. Should the parents/carers of a persistent non-attender be prosecuted by the Local Authority, then the information which the register contains will be the main source of evidence presented to the court. The regulatory requirements placed on schools with regard to the keeping

of registers are to be found in [The Education and Inspections Act 2006 The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, 2016 amendments\)](#).

We will place all children onto this register. It will mark whether every child is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment (See Appendix 3 for the Department of Education's attendance codes).

We will also record:

- For children of compulsory school age whether the absence is authorised or not.
- The nature of the activity if a child is attending an approved educational activity.
- The nature of circumstances where a child is unable to attend due to exceptional circumstances.

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

Children must arrive in school on time on each school day.

b. Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by (time) or as soon as practically possible, by calling the school (admin/office) staff, who can be contacted via 0115 9151506.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness

Where absence is longer than 5 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctors note, prescription, appointment card of other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

c. Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupils parent notifies the school in advance of the appointment.

Parents must complete an absence form when requesting absence. This should be accompanied by a letter or email/text message outlining the time and date of the appointment.

However, we encourage parents to make medical appointments out of school hours when possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term time absence as far in advance as possible of the requested absence.

d. Lateness and punctuality A

pupil who arrives late:

- Before the register has closed before 9:20 will be marked as late, using the appropriate code.
- After the register has closed 9:20 and 1:30 will be marked as absent, using the appropriate code.

If a child is consistently late, we will arrange to meet with the family and teacher to discuss what the barriers are they are facing and try to find strategies to support the family. Continued lateness will be discussed with the educational welfare officer and an attendance plan will be created.

e. Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parents on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach an of the pupil's emergency contacts the school may contact the Police.
- Identify whether the absence is approved or not.
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session for which the pupil was absent.
- Call the parent on each day that the absence continues without explanation to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer.
- Where relevant, offer support to the pupil and/or parents to improve attendance.
- Identify whether the pupils' needs support from wider partners and make the necessary referrals.

f. Reporting to parents

The school will regularly inform parents about their child's attendance and absence levels.

6. Authorised and unauthorised absence

a. Approval for term-time absence

The Headteacher will allow pupils to be absent from the school site for certain educational activities or to attend other schools or settings.

The Headteacher will only grant a leave of absence to a pupil during term time if the request meets the specific circumstances set out in the 2024 school attendance regulations. These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad.
- Attending an interview.
- A temporary, time limited part time timetable.
- Exceptional circumstances.

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define exceptional circumstances as unexpected, unavoidable and outside our control.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated. The headteacher may require evidence to support any request for leave of absence.

Other valid reasons for authorised absence include (but not limited to):

- Illness (including mental health illness) and medical/dental appointments.
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong.
- Parents travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupils is attending educational provision.
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made).

Other reasons the school may allow a pupil's to be absent from the school site, which are not classified as absences include but are not limited to:

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school.
- Attending another school at which the pupil is also registered (dual registration).
- Attending provision arranged by the local authority.

- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements or because the school premises are closed.

b. Sanctions

Our school will make use of the full range of potential sanctions, including, but not limited to, those listed below to tackle poor attendance. Decisions will be made on an individual case by case basis

Penalty Notices

The Headteacher (or someone authorised by them), local authority or the Police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks).
- Whether a penalty notice is the best available tool to improve attendance for that pupil.
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution.
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day).

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school. They will include:

- Details of the pupil's attendance record and of the offences.
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#).
- Details of the support provided so far.
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis.
- A clear timeframe of between 3 and 6 weeks for the improvement period.
- The grounds on which a penalty notice may be issued before the end of the improvement period.

7. Strategies for promoting attendance

Good attendance is rewarded in a variety of ways at South Wilford Endowed Church of England Primary School using a mixture of individual, class and whole school incentives. These incentives might include:

- Sharing weekly attendance percentages for each class, along with weekly winners with parents and children via assemblies, newsletters, dojo, attendance boards etc.
- Opportunities for the best attendance the previous week to be celebrated.
- The class with the highest weekly attendance % will receive a certificate in assembly.
- The class with the best percentage for the half term will receive a class treat.

Children who have 100% attendance across the school year or have shown a marked improvement will receive a certificate at the end of the year

In addition

- Classes may develop their own systems for celebrating and rewarding school attendance.

8. Supporting pupils who are absent or returning to school

a. Pupils absent due to complex barriers to attendance.

b. Pupils absent due to mental or physical illness health or SEND

We will work closely with these families to support the child into school. This will involve nurture support and bespoke strategies depending on the barriers. For children who are SEND we will work closely with the Ark staff to ensure that we provide support relevant to the child's needs. There may be a gradual return to school but this will be agreed by parents and school.

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

c. Pupils returning to school after a lengthy or unavoidable period of absence

We will work closely with the family and will adapt according to the individual child

9. Attendance Monitoring

Explain how your school monitors attendance and absence data (including punctuality data), and systematically and regularly analyses it.

a. Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

Our school has granted the DfE access to its management information system so the data can be accessed regularly and securely.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

b. Analysing attendance The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

c. Using data to improve attendance The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis.
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severed absence, and their families (see section 8.4 below).

- Provide regular attendance reports to class teachers, to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium leads).
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies.
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate.

d. Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence.
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education.
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions.
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant.
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence.
- Implement sanctions, where necessary.

e. The Trust also monitors individual school attendance through:

- Half Termly collection of attendance data.
- Termly Standards Meetings – this is where the individual Headteacher's Report is presented and discussed. The Trust Partnership Link and/or Partnership Director/CEO; along with Governors are present at these meetings.
- Termly Guardians meeting to consider individual and overall Trust attendance and any safeguarding concerns.
- The Trust's Attendance Panel.
- The Trust's annual Partnership Review on individual schools.
- The CEO's Report to the Trust Board.
- The CEO's 'Indicator of Concern' for Governors and Trustees.

The principles of this Policy will also be applied to all Nursery and Foundation 2 children. However, schools may add an addendum to reflect their own expectations for Nursery and Foundation children's attendance.

10. Monitoring and Review of this Policy

This policy may be amended at any time to take account of changes in legislation. The normal cycle of review for this policy will be annual.

Appendix 1: Unexplained Absence Guidelines

At any point if anyone is concerned about the child's well-being, the Police should be contacted and asked to conduct a safe and well check.

1st Day of Unexplained Absence

- Phone call made and text message sent to parents/carers.

 - Any children for whom there are safeguarding concerns.
 - Any absence for children with Safeguarding concerns should be logged onto MyConcern
 - Any children on the Low Attendance list.
 - Any instance where the absence seems suspect – i.e. it seems possible/likely that the absence is not illness related (e.g. birthdays, possible holiday etc).

- Memo given to Class Teacher asking that they report any relevant information to the office.

- If no contact is made with parents/reason provided for absence this should be logged onto MyConcern as this is now a safeguarding matter, even if there are no other safeguarding concerns. (for children with safeguarding concerns this should be an update to previous logged concern from day 1).
- Transform Trust to be notified using the cmie@transformtrust.co.uk email account.

Appendix 2

Transform Trust Fixed Term Penalty Notices for Holidays - guidance for schools

It has been agreed, through discussions at Partnership meetings with Headteachers, that schools in Transform Trust will **not** authorise term time holidays. This is in accordance to the law which states that parents do not have the right to take their child out of school for holidays during term time and can only request leave of absence due to exceptional circumstances. If a child is taken on holiday during term time without the school's authorisation this will be recorded as unauthorised absence and will result in action being taken against parents or carers.

However, leave of absence for a term time holiday can be granted for '*exceptional circumstances*' and this will be at the discretion of the Headteacher.

The Headteacher will consider and respond to each term time holiday request.

A holiday request will only be authorised once the Headteacher has considered the following:

- There are exceptional circumstances that requires the holiday is taken during term time and this will only be for a maximum of 10 school days.
- The child's attendance to date is in line with or better than national.
- The child's attendance, historically, has been in line with or better than national.
- The child is consistently at school on time.
- The child's safeguarding file has been reviewed and there are no current concerns. Where applicable, external agencies have been consulted regarding the implications of a period of absence.
- The location of the holiday in relation to the age and gender of the child has been considered and does not meet threshold of concern for safeguarding e.g. FGM locations.
- The Headteacher may want to provide school work for the child dependent on the nature of the circumstances for the holiday.
