Good morning everyone,

I hope you are all well?

It has been a bit of a tricky time for us here at school - with bubble closures and staff/pupils testing positive for COVID just before and during half-term. We still have 5 members of staff off work, and quite poorly, due to the virus. Obviously, we all want everyone to recover as soon as possible and send our best wishes to anyone currently not well.

If we don't answer the phones as quickly as usual, respond to dojo messages or mark work sent to us online as quickly as we did before, please bear with us (we are currently a bit short staffed in some areas of school).

Following the Government's announcement on Monday, we will re-open to all pupils on Monday 8th March. Pupils will still be in their class bubbles and won't be mixing with other bubbles throughout the day. We will return to the staggered drop off/pick up times that were in place before Christmas. I will re-send these timings out next week, with a few other reminders too.

We have had a few queries about breakfast club recently - we will be continuing to offer a breakfast club to all pupils from Monday 8th March from 8.15am, but this is currently at the goodwill of the teaching staff (as pupils need to have breakfast in their classroom bubbles). Many schools have not been providing this option for parents/children, so I'm glad that we've been able to do this.

Hopefully, we will be able to return to normal completely sometime in the near future (although I for one have almost forgotten what that looks like!).

As ever, we will remain positive and look forward to seeing our wonderful children back again very soon.

Take care - best wishes,

Miss Godfrey
