Good morning everyone,

I hope you are all well?

As previously mentioned, staff testing for the virus is taking place twice a week at home. On Sunday evening 2 members of staff in the year 1 and 2 bubble tested positive. This meant we needed to close the year 1 and 2 bubble (to pupils and the other staff working in there) to prevent any further possible spread. The parents in years 1 and 2 were informed of this on Sunday evening.

A third member of staff, in the same bubble, tested positive yesterday (Monday). I'm pleased to say all 3 members of staff have mild/no symptoms at the moment.

All other staff tested negative - so school has continued for pupils in those bubbles. Staff and pupils do not mix with each other throughout the day whilst in school - only with those in their bubble.

I'd like to thank the parents of those pupils, who have been attending the year 1 and 2 bubble, for their understanding when the announcement was made. I know for some of you it created some difficulties with work/childcare.

As always, during these unprecedented times, the safety of everyone must come first.

We obviously hope there will be no more positive cases - but will endeavour to let you know as soon as possible if there are.

Take care - best wishes,

Miss Godfrey
