4<sup>th</sup> January 2020

Good morning everyone,

I hope you are all well?

As stated in my post yesterday, we are open as planned from tomorrow - we are looking forward to seeing our children after the break.

There is a lot of information in the media about schools at the moment - I will endeavour to keep you as updated as I can.

Due to the new strain of the virus, which is easier to transmit, I have taken the decision to ask all adults coming onto the school site to wear a face covering/mask at all times. If you are exempt from wearing a mask, then of course you don't have to wear one.

I'd also like to remind you of the following that has been previously sent out:

Please remember:

To arrive at school at your timeslot - don't start queuing early.

Only come on site if you need to - older pupils should be coming in on their own if at all possible.

1 adult per family on site please - older secondary school siblings could wait at the exit gate too.

Please stay 2m away from other families and staff.

Don't stand around on the playground or at the gates chatting - drop/pick-up and go!

We all need to work together to try to minimise the risk of the virus affecting our lovely school.

Thank you for your continued support.

Best wishes - and as always, take care,

Miss Godfrey
