19th November 2020

Good morning everyone,

I hope you are all well?

School continues to be a happy and positive place, despite the situation we all find ourselves in. I appreciate this is an anxious time for many, but we will continue to try our best to make school a safe place where all of our pupils can thrive. Things are obviously not perfect and we can't change what is happening with the pandemic, but rest assured your children are at the forefront of all that we do.

We monitor, track and follow up on any information we receive regarding coronavirus symptoms affecting our school - so far we do not have any further cases to report.

We currently have no cases of coronavirus amongst our school staff - even though some have had to self-isolate, or work from home, due to circumstances within their household bubble.

We are looking forward to welcoming year 4 back on Monday 23rd November - you have been missed. I hope you've all been working hard whilst at home!

Look out for a Christmas themed newsletter towards the end of next week, with more information on our plans to celebrate in style (albeit a little differently this year)!

As always, please stay safe.

Best wishes,

Miss Godfrey
