5th October 2020

Dear Parents/Carers

I hope you are all well and that you had a lovely weekend.

I'm writing to let you know of a few changes regarding adults (and only adults) around school.

Transform Trust has made the decision to introduce face coverings for adults in all of their schools.

Staff will wear face coverings in all communal areas, when moving around school. They will not be expected to wear a face covering when teaching in their own classroom, working in their own office or when eating. Any member of staff that works across more than 1 class will now be expected to wear a face covering in their second class. We had already reduced staff movement across school as much as we could prior to this.

Visitors to school, including parents coming to the school office, will now be expected to wear a face covering too.

We are explaining the changes to the children today so that they are not worried about seeing us in masks!

Children do not need to wear a mask.

As I write this, BSM continues to have no known cases of Coronavirus.

As ever, we have put these measures in place to mitigate the risk of infection as far as we can. The safety of everyone on our site is the utmost importance to us.

Thank you for your continued support.

Best wishes,

Miss Godfrey
