Dear Parents/Carers,

Good afternoon everyone.

I hope you are all well?

Well it's the end of another successful week in school. As I said in a previous post, I appreciate there is a lot of anxiety around the COVID situation at the moment. Many things are out of our hands and, as ever, we are working hard to provide a happy, safe environment for our children. There is a lot of fantastic work being produced in classrooms - but, of course, we would love nothing more than for things to go back to normal. I know that all of the staff really appreciate your support and positivity at this time.

We are receiving lots of phone calls about coughs, colds and other illnesses at the moment - such symptoms (non-COVID related) will probably only increase as we head towards the winter months. Enclosed is a flow diagram that I hope will help you to decide the appropriate action to take if you, your child or another member of your household is unwell.

Please can I also ask you to be mindful of our children and families when parking your car near school? The bottom of Ragdale Road has been cordoned off somewhat by the council (not BSM), but please park responsibly elsewhere. There are large car parks at Tesco or Aldi that can be used.

I hope you have a lovely weekend.

Take care and best wishes,

Miss Godfrey
Headteacher
