Good morning everyone,

I hope you are all well.

It has been lovely to see some of the year 2 pupils back this week, albeit only briefly. We look forward to welcoming some year 3 pupils back next week, to work with Mr Jones.

As far as is possible, teachers that are in school are having the chance to meet pupils who will be in their classes in September. Whether your child is in school or not, all teachers are currently making videos to say goodbye to their previous class and introduce themselves to their new class – these videos will be posted on class pages hopefully next week.

Very few year 2 parents came to collect their child's report and books yesterday – I'm hoping it was just the weather that put people off! Staff are currently working really hard to get everything out to you at this unusual time.

The next year group to get their reports and books will be year 5 – year 5 pupils that are either in Miss Docherty's class or Mr Hanks' class. If you have a child in year 5, who isn't currently in school, please come to collect their report and books from the office between 10.00am and 2.00pm on Thursday. Year 5 pupils that are in school will be bringing their things home on Thursday. The report also contains information about what class your child is in next year! Please remember to bring your child with you as we need to see them before the summer holidays.

Talking of the summer holidays: we officially break up on Friday 24th July.

Unless something happens in the meantime, all pupils in years 1-6 will be expected to return on Wednesday 2nd September. Attendance will be compulsory.

Pupils in F1 and F2 will be receiving information about their starting date for the autumn term shortly – including visits and transition arrangements.

More information about arrangements for pupils, and what school will be like in September, to follow.

As always, I will endeavour to do what is best for all concerned – especially our children.

Take care - thanks for your continued support,

Miss Godfrey
Headteacher
