Good morning everyone,

I hope you are all well.

The sun has finally been shining this week, but it's a little too hot for me!

- We will be saying a fond farewell to our year 6 pupils on 3rd July, as they move back to home learning. There will be an online graduation ceremony – more details to follow.
- Then, we will be welcoming year 5 back on 6th July - until the end of term as originally planned. More details to follow next week.

We have been ringing all year 2, 3 and 4 parents this week, and now have numbers for those that want to return before the summer holidays.

Approximately half (or a little more) of each year group wish to return, so we will be having each year group back for a week each.

We don't have the classroom space or staffing to accommodate these 3 year groups at the same time.

- Therefore, my plan is to invite year 2 back for 4 days (we are closed on Wednesdays for cleaning) for the week beginning 6th July.
- Year 3 will be invited back for 4 days the week beginning 13th July.
- Year 4 will be invited back for 4 days the week beginning 20th July.

More details about timings and rooms being used will be sent next week.

Initially we didn't expect to be able to invite years 2, 3 and 4 back at all, so it will be great to see some of you before the summer break.

We will try, as far as possible, to introduce new teachers to pupils that do come back - so at least some transition can take place.

We are not able to invite F1 back this academic year, but we will arrange a catch up towards the end of term - watch this space!

Teachers are currently writing end of year reports for all pupils and these will be available soon. If you require a second copy of your child's report (due to separated parents for example), please contact the school office to make this request.

Have a lovely weekend everyone.

Take care and best wishes,

Miss Godfrey

Headteacher
