Good afternoon everyone,

I hope you are enjoying the sunshine!

I'm hoping to let you know by the end of the week about our plans for partial re-opening - there are still lots of meetings going on and it isn't quite clear yet exactly what is happening. I am meeting tomorrow (virtually) with all of the headteachers and leaders in Transform to continue to plan a way forward.

I'm sure you are as frustrated as we are about the lack of clarity from the Government.

So far not many of you have indicated that you would like your child/ren to return just yet - if your opinion either way has changed please let us know. There will be limits on the number of children allowed in each classroom group, so to aid planning and staffing please just let us know.

Unfortunately, I think school will look very different for the foreseeable future. I know we all can't wait for things to return to 'normal'.

Please take care of yourselves - remember where we are and give us a call if you have a query.

Best wishes,

Miss Godfrey
