Good morning everyone,

Hope you are all well and ready for what is hopefully going to be a sunny week!

Enclosed is a letter from the CEO of Transform Trust Rebecca Meredith.

As stated in the letter, we really need to know how many children in F1, F2, Yr1 and Yr6 would like to come back to school, if we are able to accommodate them. If your child is in one of these year groups you will have received a phone call last week to ask whether you plan to send your child back. Please can I ask if you have since changed your mind that you give us a call to let us know, so that we can plan for the correct numbers? I'm sure you've seen some of the measures that schools are having to put into place on the TV.

My position remains the same - our priority is the safety of everyone - children, parents, staff and the community. We would love nothing more than to welcome everyone back. After all, school is not really school without children! As ever we will do our best in these very challenging circumstances. Ultimately it is parental choice as to whether you send your child back to school or not.

Please remember we are here - and looking forward to seeing some of you soon.

Take care, stay safe,

Miss Godfrey
