Good morning everyone,

I hope you are all keeping well and staying safe?

I don't currently have any more information regarding the re-opening of our school. Myself and the staff would like nothing more than to have all of the children back, but unfortunately we can't just yet. As ever, my priority is the safety of everyone - children, parents, staff and the community. We are working on putting as many safety measures in place as we can, but social distancing with children, especially those in the younger years, will be almost impossible.

As of yesterday, very few BSM parents had responded to Transform Trust's survey. It closes today at midday, so please take this chance to have your voice heard. Here is the link that you need:

Please give me a ring at school (I am here every day) if you have any questions or concerns - I will try my best to answer, but these are very uncertain times! There are definitely more questions than answers at the moment!

Take care, stay safe and hope to see you all soon,

Miss Godfrey
