11.5.2020

Good morning everyone,

I hope you are all well?

Good news - the telegraph pole outside the school car park gate was replaced this morning and we appear to be up and running again!

I'm sure many of you listened to Boris Johnson's speech last night and now have many questions or worries about what he said. We still don't know any details about how or when schools will start to re-open - there is apparently more information to follow this afternoon from the Government.

I am regularly involved in meetings with Transform Trust, who are themselves talking to the Local Authority, and will let you know more when I can.

Our top priority, as always, is the safety of our children, staff and community.

Free School Meals - the system set up by the Government has quite frankly been a bit of a disaster. Our office manager Miss Cameron has spent hours on numerous occasions trying to log on or sort issues. Please give the office a ring if you are still having problems with the system and we will endeavour to help you - but please bear in mind it is a Government system and not a BSM one.

Best wishes and take care,

Miss Godfrey
