Good morning everyone. Some very important updates here, so please read on!

- We need to hear from you, by email or phone, **as soon as possible today please**, if:
 - You think you will fall into the Government's 'key worker' definition **and**
 - You would **need** to take up any offer of a school place through the closure
 - ie there is no other adult capable of working from your home who could look after your child **and**
 - You would **want** to take up the offer of a place in school through the closure
- For now, we are only gathering numbers. We do not **know** what any provision would look like or quite who will be eligible.
- It is possible that any provision would be based at a local hub, not necessarily this school – we are working closely with partner schools in the Transform Trust on this.
- We would probably need documentary evidence of your role as a key worker – an email or note from an employer or similar.
- The list of key workers will not be released until this afternoon, but for now we are assuming:
 - NHS workers
 - Police
 - Fire Service
 - Supermarket delivery drivers
 - Social workers
 - Care workers in residential or day settings

We are compiling a list of 'candidates' and will get back to people on this list with confirmation once things are clearer.

Yours sincerely,

Miss Godfrey
Headteacher
