Q3: The behaviour in school is good

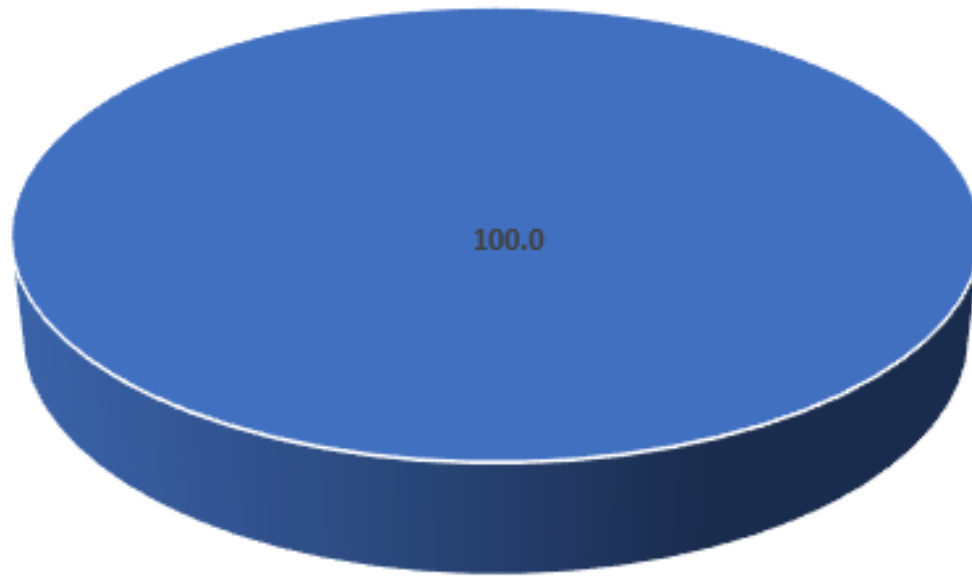

I have seen a huge improvement in my sons attitude and behaviour at home which I am really pleased with

It is crucial that staff never define a child's behaviour but instead approach it with understanding, empathy and recognition of individual differences. Collaboration between staff and parents is vital for holistic development of my child. This term has been wonderful and am grateful for working together to support my child's growth and happiness. Thank you year 2 teachers and all staff members

Q4: I feel that my child is safe in school

My child has been receiving support from Miss Noy who is absolutely fantastic but due to her teaching it seems it takes over from her time as well-being mentor. We know funds are at an all time low however she is so amazing she should have the opportunity to be able to focus on this full time to help those that really need it
