

School Development Plan 2025-2026

Bulwell St Mary's C of E school

Our plan for this year aims to enable all children to flourish as unique children of God.

Exceptional learning opportunities and development of strong moral values will ensure all of our children have a chance for a positive future driven by their individual skills and interests.

Key drivers for school development

This year our three key areas to develop are as follows:

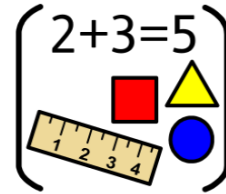

- Quality First Teaching – improving the teacher profile of the school
- Maths – Increasing the number of children achieving EXS+
- Attendance – Improving attendance and reducing the number of children who are PA

How do we achieve our aims for the year?

Quality First Teaching

Improving outcomes for all learners
Ensuring appropriate scaffold is in place in all lessons
Appropriate and meaningful adaptations in place for SEND children

Maths

Improve number of children achieving EXS+
Focus on arithmetic
Ensuring gap analysis is clear and informs future action planning

Attendance

Inclusive attendance Bronze Award
Reducing number of children who are PA
Focus on relationships and belonging
Teachers investing in relationships with families
