

# Bulwell St Mary's C of E Primary and Nursery School Pupil premium strategy statement 2024/25.

This statement details our school's use of pupil premium (and recovery premium for the 2021 to 2022 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

## School overview

| Detail                                                                                                          | Data                                          |

# Part A: Pupil premium strategy plan

## Statement of intent

At Bulwell St Mary's it is our intent that all pupils, regardless of background or disadvantage, achieve the very best outcomes they can. Our ultimate objectives are to ensure that the curriculum is well developed and consistently implemented ensuring that there are clear expectations for teaching and learning, which is one of our school development priorities.

We also aim to:

- ✓ Narrow that attainment gap between disadvantaged pupils and their non-disadvantaged counterparts both within school and nationally.
- ✓ Ensure that all children are able to read fluently and with good understanding to enable them to access the breadth of the curriculum.
- ✓ Enable pupils to look after their social and emotional well-being and to develop resilience.
- ✓ Offer a wide range of enrichment opportunities to develop their knowledge and understanding of the world.

### Our Context:

Bulwell St. Mary's is in a high area of deprivation, with it being amongst 10% of the most deprived areas in the country (IDACI 2019). We have 240 pupils currently on roll, with 106 being in receipt of the Pupil Premium grant. This equates to 44% of children being as classed as disadvantaged. In making provision for socially disadvantaged pupils, we recognise that not all pupils who are socially disadvantaged are registered or qualify for Free School Meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being in need of intervention and support.

We will consider the challenges faced by vulnerable pupils, such as those who have a social worker. The activities that we have outlined in this strategy are also intended to support their needs, regardless of whether they are disadvantaged or not.

There is a particular focus on accelerated progress for children who are disadvantaged. Currently, we have 16% of PP who are SEND, 17% of PP are EAL and 8% PP have a social worker.

### Key principles:

- To develop reading across school
- To support lower attainers
- To offer a breadth of enrichment opportunities
- To support children who present social, emotional and behavioural difficulties
- To encourage parents to bring their children to school, on time, every day.

Effective teaching and learning should be pivotal in supporting all children, regardless of disadvantage, the use of additional intervention should be supplementary to high-quality teaching. Marc Rowland (2020).

# Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

| Challenge number | Detail of challenge                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
|------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1                | <p><b><u>Reading across school</u></b></p> <p>Assessment of reading and phonics data suggests that children arrive in EYFS at Bulwell St. Mary's with attainment lower than expected when compare to their peers.</p> <p>Some children have limited access to quality texts at home and have parents who struggle themselves with literacy.</p> <p>They are behind their peers due to lack of life experience and exposure to a wide variety of vocabulary.</p> <div data-bbox="311 819 879 1308">  <p>The above diagram is taken from a book by Janet Cooper 'The early years communication handbook'.</p> </div> <p>Our PP children have gaps around the middle steps around their language acquisition.</p> <p>Exposure to quality first teaching of phonics/early reading and writing is essential. The development of reading, which is a prerequisite to writing, will have an impact on progress across school in both reading and writing.</p> |
| 2                | <p><b><u>Lower prior attainers</u></b></p> <p>Prior attainment of children who are in receipt of the Pupil Premium grant in Reading, Writing and Maths is below national average in comparison to their peers. During 2023/24, 57% of PP children achieved age related expectations or above in RWM, with 7% of PP children working above ARE.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| 3                | <p><b><u>Lack of enrichment opportunities</u></b></p> <p>The knowledge and experience of the wider world is limited for many of our children in receipt of the Pupil Premium grant. Parents have limited funds to access events, visit places of interest or fund extra-curricular clubs. Our curriculum has been designed to offer all children opportunities that they might not have outside of school.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| 4                | <p><b><u>Social and emotional well-being including increased behavioural difficulties-</u></b></p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |

|                                |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |                            |       |       |       |                                |      |       |       |
|--------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------|-------|-------|-------|--------------------------------|------|-------|-------|
|                                | <p>Our assessments, including our Leuven Scale data, observations and discussions with pupils and families have identified social and emotional issues for many pupils. Behavioural difficulties have increased across school. Teacher concerns for well-being support for some children have increased. These challenges particularly affect disadvantaged pupils and their attainment. In order for effective learning to happen, the social and emotional needs of the children need to be met.</p>                                                                                                                                                                                                                                                                                                                                                                                                                              |                            |       |       |       |                                |      |       |       |
| 5                              | <p><b><u>Attendance and punctuality</u></b></p> <p>Attendance for the children in receipt of the Pupil Premium grant for the year 2023/2024 was 94.9%, which is slightly below the national expectation of 96% or above.</p> <p>This year (at December 2024) we had 22 Pupil Premium (PP) children who were categorised as persistent absentees. Data shows that their absence was mainly linked to illness, other authorised circumstances or being unauthorised.</p> <div><p>Attendance Ranges</p><table><tr><td>Pupil Premium<br/>94 pupils</td><td>23.4%</td><td>18.1%</td><td>58.5%</td></tr><tr><td>Not Pupil Premium<br/>79 pupils</td><td>7.6%</td><td>16.5%</td><td>75.9%</td></tr></table><div><p>Legend</p><ul style="list-style-type: none"><li>Persistently absent (10% or more sessions missed)</li><li>At risk of persistent absence (5-10% sessions missed)</li><li>Good attendance (95-100%)</li></ul></div></div> | Pupil Premium<br>94 pupils | 23.4% | 18.1% | 58.5% | Not Pupil Premium<br>79 pupils | 7.6% | 16.5% | 75.9% |

## Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

| Intended outcome linked to challenges.                                                                                                                                      | Success criteria                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Improved reading attainment and progress among disadvantaged pupils.                                                                                                        | <ul style="list-style-type: none"> <li>- All Teachers will be graded as at least good.</li> <li>- All Teachers will be effective in their delivery of evidence-based reading teaching strategies.</li> <li>- Sounds Write assessment data indicates accelerated progress in the teaching of phonics.</li> <li>- All children participate in frequent Reading for Pleasure activities</li> <li>- All children access the New Library – timetabled slots</li> <li>- High quality texts used across the school</li> <li>- Evidence from reading record books show that children are reading from home</li> </ul> |
| Improved attainment and progress for all pupils through a curriculum offer which ensures our most vulnerable children make accelerated progress from their starting points. | <ul style="list-style-type: none"> <li>- The number of disadvantaged pupils attaining the expected standard in Reading, Writing and Maths (combined) has increased.</li> <li>- Children's cultural capital is enhanced through curriculum enrichment and immersive experiences which support and engage learning.</li> </ul>                                                                                                                                                                                                                                                                                  |

|                                                                                                                                                                       |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |

|                                                                                                                                                                       | <ul style="list-style-type: none"> <li>- The attainment gap for children in receipt of the Pupil Premium grant has diminished in Reading, Writing and Maths.</li> </ul>                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Increased enrichment opportunities that enhance the curriculum offer.                                                                                                 | <ul style="list-style-type: none"> <li>- Offer a diverse and broad range of quality enrichment opportunities for all.</li> <li>- Development of the forest school area.</li> <li>- Sports coach to offer a wide range of after-school clubs.</li> <li>- An increase in attendance of enrichment opportunities, with a focus on disadvantaged children attending.</li> <li>- Pupil voice will refer to enjoyment of after school clubs and enrichment opportunities.</li> <li>- Music Hub provision</li> <li>- Uptake of enrichment opportunities has increased among vulnerable groups</li> </ul> |
| Promote and support emotional health and well-being, with a focus of supporting emotional literacy to minimise behavioural disruptions.                               | <ul style="list-style-type: none"> <li>- Decrease in behaviour incidents, in particular low-level disruption in class.</li> <li>- Improved behaviour for learning evident in classrooms.</li> <li>- Increased staff confidence in setting high expectations and dealing consistently with low-level behaviours.</li> <li>- Children have a social and emotional skill set that enables them to work as team, self-regulate and know who to turn to when needed.</li> </ul>                                                                                                                        |
| Sustain good attendance and punctuality for all pupils, including the disadvantaged, ensuring that children are in school on time to minimise disruption to learning. | <ul style="list-style-type: none"> <li>- Disadvantaged pupils' attendance is in line with all pupils and sustained as well as being in line with national expectation of 96% and above over the year.</li> </ul>                                                                                                                                                                                                                                                                                                                                                                                  |

## Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

### Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £50,000

| Activity | Evidence that supports this approach | Challenge number(s) addressed |

|           | <p>A study conducted by Newcastle University (2015) found that, 'Teachers, parents and children identified a range of positive outcomes from participation in after school clubs, including increases in confidence, self-esteem and fitness, as well as providing opportunities for new experiences, socialising and enjoyment'.</p> <p><a href="https://www.nuffieldfoundation.org/sites/default/files/files/resbr3-final.pdf">https://www.nuffieldfoundation.org/sites/default/files/files/resbr3-final.pdf</a></p>                                                                                                                                                                                                                                                                                                                               |            |
| Music hub | <p>Research shows that achievement in music can raise self-esteem and self-confidence and have a positive impact on academic achievement. Research also suggests that;</p> <p>'Speech makes extensive use of structural auditory patterns based on timbre differences between phonemes. Musical training develops skills which enhance perception of these patterns. This is critical in developing phonological awareness which in turn contributes to learning to read successfully.'</p> <p><a href="https://www.researchgate.net/publication/242560857_The_power_of_music_Its_impact_on_the_intellectual_social_and_personal_development_of_children_and_young_people">https://www.researchgate.net/publication/242560857_The_power_of_music_Its_impact_on_the_intellectual_social_and_personal_development_of_children_and_young_people</a></p> | 1, 2, 3, 4 |

**Total budgeted cost: £ 156,880**

## Part B: Review of outcomes in the previous academic year

### Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2023 to 2024 academic year.

Leaders have analysed the performance of our pupil premium children at Bulwell St Mary's during the 2023/2024 academic year. To assess impact on academic attainment, leaders have used the KS1 and KS2 performance data, phonics screening check results, EYFS assessments, our own internal standardised assessments in reading and maths (NTS), and teacher assessments in writing. Leaders have also utilised staff, pupil and parent voice, in-school observations of teaching practice/outcomes, and other internal monitoring to assess the impact of initiatives.

The levels of children receiving pupil premium funding are increasing and currently (September 23) stand at 48.5%.

Our intended outcomes in our strategy document are linked to improving reading progress and attainment, improving overall attainment, providing enrichment opportunities to enhance the curriculum, further developing emotional support to improve behaviours for learning and ensuring attendance is in line with or above national data

#### **Outcome one**

##### **Improving reading attainment and progress**

Outcomes, in terms of attainment show that there is still a gap between PP and non-PP but it is closing in most year groups.

| Year Group | Number of PP children | PP chn EXS+ | Non PP chn EXS+ |
|------------|-----------------------|-------------|-----------------|
| 1          | 11                    | 53%         | 91%             |
| 2          | 15                    | 71%         | 85%             |
| 3          | 16                    | 46%         | 69%             |
| 4          | 12                    | 65%         | 92%             |
| 5          | 11                    | 71%         | 82%             |
| 6          | 14                    | 78%         | 74%             |

In Year 6 PP children exceeded the attainment of their peers. The gap is closing in Years 2 and 5. In Years 1, 3 and 4 there is still a significant gap and funding streams need to be directed towards these children for the next academic year.

In years one, three, four and five our pupil premium children exceeded attainment of their peers.

#### **Outcome two**

Attainment of pupils receiving pupil premium funding

2023 -2024 data shows that percentages of children receiving the expected standard –

##### **Year 6 data**

|         | PP EXS+ | Non PP EXS+ |
|---------|---------|-------------|
| Reading | 78%     | 74%         |
| Writing | 53%     | 64%         |
| Maths   | 79%     | 40%         |

|                 |     |     |
|-----------------|-----|-----|
| <b>Combined</b> | 57% | 33% |
|-----------------|-----|-----|

#### Year 5 data

|                 | <b>PP EXS+</b> | <b>Non PP EXS+</b> |
|-----------------|----------------|--------------------|
| <b>Reading</b>  | 71%            | 82%                |
| <b>Writing</b>  | 47%            | 63%                |
| <b>Maths</b>    | 63%            | 72%                |
| <b>Combined</b> | 41%            | 64%                |

#### Year 4 data

|                 | <b>PP EXS+</b> | <b>Non PP EXS+</b> |
|-----------------|----------------|--------------------|
| <b>Reading</b>  | 65%            | 92%                |
| <b>Writing</b>  | 41%            | 67%                |
| <b>Maths</b>    | 77%            | 84%                |
| <b>Combined</b> | 41%            | 67%                |

#### Year 3 data

|                 | <b>PP EXS+</b> | <b>Non PP EXS+</b> |
|-----------------|----------------|--------------------|
| <b>Reading</b>  | 46%            | 69%                |
| <b>Writing</b>  | 39%            | 75%                |
| <b>Maths</b>    | 54%            | 56%                |
| <b>Combined</b> | 31%            | 56%                |

#### Year 2 data

|                | <b>PP EXS+</b> | <b>Non PP EXS+</b> |
|----------------|----------------|--------------------|
| <b>Reading</b> | 71%            | 85%                |
| <b>Writing</b> | 43%            | 71%                |

|                 |     |     |
|-----------------|-----|-----|
| <b>Maths</b>    | 71% | 85% |
| <b>Combined</b> | 43% | 64% |

#### Year 1 data

|                 | <b>PP EXS+</b> | <b>Non PP EXS+</b> |
|-----------------|----------------|--------------------|
| <b>Reading</b>  | 53%            | 91%                |
| <b>Writing</b>  | 53%            | 91%                |
| <b>Maths</b>    | 59%            | 100%               |
| <b>Combined</b> | 53%            | 91%                |

#### Year 1

|                 | <b>PP EXS+</b> | <b>Non PP EXS+</b> |
|-----------------|----------------|--------------------|
| <b>Reading</b>  | 71%            | 54%                |
| <b>Writing</b>  | 65%            | 54%                |
| <b>Maths</b>    | 76%            | 62%                |
| <b>Combined</b> | 65%            | 54%                |

This shows a fluctuating pattern with cohort specific needs. The data has been considered and used to develop our subject action plans for the year. PP funding will be streamed towards further refining of the curriculum including the reading and writing curriculum. Key foci linked to adaptations, handwriting, vocabulary and maths development are all planned for 2024-2025.

Gap analysis of our internal academic assessments has highlighted that our pupil premium children's performance in reading, writing, phonics and maths was affected by:

Some children having multiple needs such as SEND/ EAL

Speaking and listening proficiency

Reading fluency rates

Ability to apply phonological learning to writing

Vocabulary deficiencies

Mental maths fluency

#### **Outcome three**

##### **Increased enrichment opportunities that enhances the curriculum offer.**

Pupil and parent voice reported a positive impact of our enhanced enrichment offer for 2023-2024. Children were able to access a broader, richer offer provided by subject specialists which led to improved outcomes across the curriculum. Our children have an increased after school club offer which now includes art club and a choir. There are also an increased number of visits linked to learning. Parents have been involved in more events with the established PTFA activities. Our community is a rich source of learning opportunities and children have begun to

work with staff as the Bulwell community garden. There have also been enrichment activities linked to aspirational speakers and safeguarding (such as water and railway safety)

#### **Outcome four**

**Promote and support emotional health and well-being, with a focus of supporting emotional literacy to minimise behavioural disruptions.**

The embedding of our 'Take Care' ethos has enabled our values to become a lived experience. This, alongside our new Behaviour Policy, has led to a decrease in low-level behaviour disruptions in the classroom. The majority of pupils now take pride in their work and respect each other as well as our school and the community. The new behaviour policy gives clarity for everyone on consequences to actions. The Staff Team ensure vulnerable children have support to help them to be in a mindset to access learning. Data shows that behaviour incidents are decreasing apart from a few pupils. Parent and pupil questionnaires reflect views of behaviour being good in school. Suspensions are still evident in school but are for a minority and misbehaviour is not systemic through school. Data from Leuven's scale records reflects a shift in children's well-being and involvement. Pupil leadership roles have enabled children to direct the whole school developments and have led to increased confidence in children.

#### **Outcome five**

**Sustain good attendance and punctuality for all pupils, including the disadvantaged, ensuring that children are in school on time to minimise disruption to learning.**

Attendance for children receiving PP funding was 94.9% in the year 2023-2024 compared to 97.2% for children not receiving funding. A new attendance officer is working with leaders to put more relational systems in place to address attendance using the class teachers to connect more with the parents.

## **Externally provided programmes**

*Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England*

| <b>Programme</b>       | <b>Provider</b> |
|------------------------|-----------------|
| Times Tables Rockstars | Maths Circle    |
| Spelling Shed          | Ed Shed         |
